

ENSCHEDÉ LIGHTS UP

ARTIST CALL

LIGHT ART WANTED

APPLICATION PHASE FOR ENSCHEDE LIGHT'S UP STARTED!

For the 5th edition of Enschede Light's Up are we looking for innovative and inspiring light art. This festival takes place from 10 December to 13 December from 17.00 till 22.00.

The open call starts on March 1 and ends on May 1 2025.

Whether you're an individual artist or part of a collective, you're invited to submit your work – from mappings and projections to immersive light installations.

You can propose concepts designed for specific spots in Enschede (centre) or submit ideas that work independently of location.

These criteria are NICE-TO-HAVE:

- Sustainable light art
- Interactive elements or installations

These criteria **MUST** be met:

- Clear connection and engagement with light
- Suitable for a broad audience. Inclusivity and accessibility for all ages are key values of this festival
- Suitable for outdoor use (if the location is outdoors)
- Stability and safety even at high wind speeds (if the location is outdoors)
- The installation must be feasible within the city's technical infrastructure and production planning. It should be possible to set up your artwork within 1-3 days.

Send us your application with pictures and videos by May 1 through the link

ENSCH EDE

KLANDERIJ (INSIDE A VACANT SHOP)

Location information:

The Klanderij is a small shopping mall within the centre of Enschede. With various shops attracts the mall many visitors to Enschede.

The mall is during Enschede Lights Up opened during the day where the vacant shop is used as promotion for the event during the evening. In the evening is the Klanderij opening their doors especially for the visitors of Enschede Lights Up.

Type of work:

- Immersive Experience (no projection)

Which premises is free for Enschede Lights Up is not sure yet. Therefore it requires custom-made artwork

INSIDE THE KLANDERIJ

ENSCHEDA

VILLA SCHUTTERSVELD (BACKYARD)

Location information:

Villa Schuttersveld is an old textile manufacturer's villa with a beautiful hidden backyard. In the past editions of

Enschede Lights Up, the back of the villa was used for project mapping. However, this yard has a beautiful garden to use for Enschede Lights Up. The backyard also has a pond which could be used. Around the pond there is a little walking route. Drinks and food can be bought at the pop-up catering point in the backyard

Type of work:

- Light installation(s)
- Mapping and projections
